AFTERMARKET SUPPLIER PSA SUPPLIER AWARDS 2016

**After - Sales
Delivery Performance Award**

Paris, May 26th 2016

(Subject of PSA Group press release)

LPR is a major supplier for PSA activities specialising in braking systems for the after-market business.

In 2015, LPR changed its purchasing and manufacturing strategy to stay highly competitive, and introduced FPS which will double its turnover with PSA in 2016.

LPR is also benchmarking its logistic, with 100% service rate and 6-0ff road vehicle in 2015 and 2016 so far.

This Category recognizes suppliers for their quality of service, as measured by their on-time, on-spec delivery of spare parts to their dealer network, which has a direct effect on customer loyalty.
